

Gravity Gear 11mm Kernmantle Rope

N01Q5182....

The Gravity Gear Specialised range includes CE certified high access kernmantle rope manufactured for use the Mechanical lifting, Construction, Rope Access and other difficult to access industries.

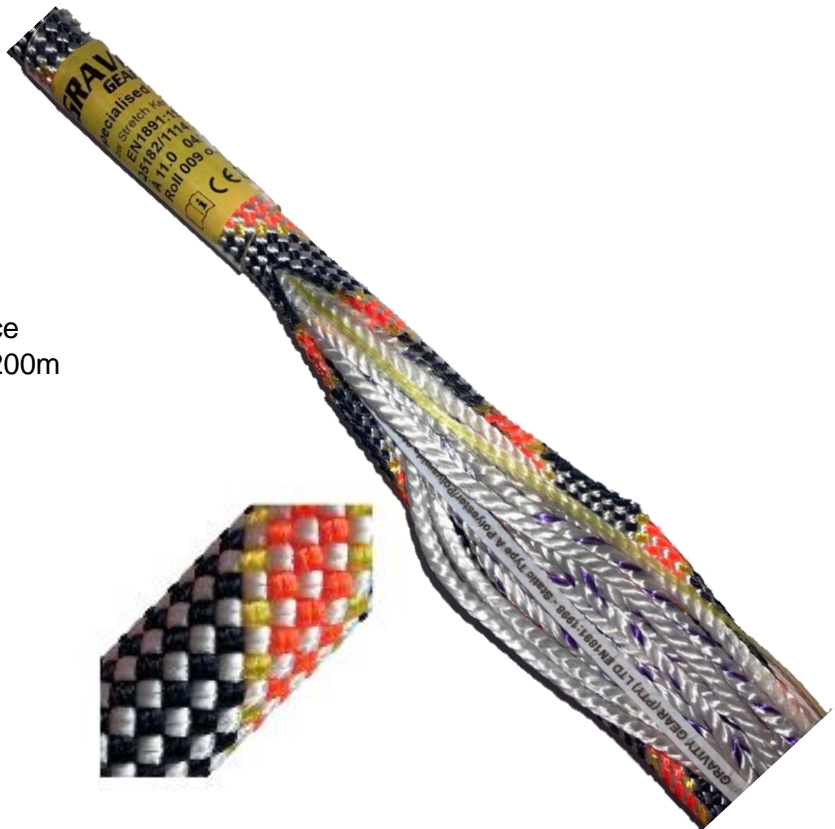

All Gravity Gear Ropes are durable and tested to conform to local (SABS) and international standards (EN 1891:1998 / AS 4142.3 1993) of working at height and fall protection equipment.

FEATURES & BENEFITS

- High static strength
- Low elongation
- Knotability factor
- Low sheath slippage
- Sheath with 48 SPINDLE
- Fall arrest peak force accordance
- Join free packaging – 100m or 200m

INDUSTRIES

- Industrial – refineries, chemical
- Wind turbine towers
- Construction
- Mining
- Cleaning services
- And many more...
